

Veterinarians & Staff

In order to provide you and your pet the highest quality medicine, we maintain a staff of highly qualified veterinary professionals. Our veterinarians offer a variety of expert knowledge and special interests to provide you with the best general care. Dr. Julie LaForge a graduate of The Ohio State University has been with Sheffield Veterinary Hospital since 1989. She has always enjoyed her two children and makes an every loving effort when away from Sheffield to be a part of their lives.

Dr. Craig Marshall a graduate of The Ohio State University has been with Sheffield Veterinary Hospital since 1993. Craig bikes as well, but in a different way… on a motorcycle , and enjoys being a father. Make each day a joy as if it were your last. Life is too short, smile more and say hello to someone you don't know today. Smiles are contagious!

Dr. Holly Monke-Eades, a graduate of The Ohio State University, joined the practice in 2007. She actively trains and exhibits her Shetland Sheepdog in agility competitions. She is originally from Madison County, and a graduate of Jonathan Alder. Holly grew up immersed in animals, with her mom at dog shows and her dad is an excellent veterinarian in his own right.

Dr. Heather See, a graduate of The Ohio State University College of Veterinary Medicine in 1997. She has lived in Ohio all of her life and enjoys quality time with her husband and her two children, her Great Dane and her fluffy long-haired cat. In her free time she enjoys spending time running and scrap booking. Just try and see if you can visit our hospital without catching a smile from her!

Our office manager is always there to assist with any of hospital or clients needs. We hire licensed Veterinary Technicians to assist the doctors and highly qualified veterinary assistants and receptionists to help them and our customers. We believe that our employees should be highly educated, therefore most of our staff members have received either an associate’s or a bachelor’s degree. Many of our employees have been with our practice for several years and have become very familiar with our patients and their owners.

Thank you for allowing our staff to provide your pet with the best medical care available. We appreciate suggestions and comments and are constantly working to improve our medical training and our hospital to make your best friend more comfortable and healthy.

We also appreciate your referrals to friends and family. We recognize this as a sign of your trust in us. Celebrating 75 years in business! Thank You for Everything!
