Emergency Assistance: Should you need off hour emergency care, we recommend the following:

MedVet Hilliard located at 5230 Renner Road in Columbus, Ohio [www.medvetohio.com/hilliard](http://www.medvetohio.com/hilliard) Their number is 614-870-0480 This emergency hospital is open 24 hours a day, seven days a week. No appointment is required. We work with the doctors at this emergency hospital and they will keep us informed of the treatment of your pet.

MedVet Columbus located at 300 E. Wilson-Bridge Road in Worthington, Ohio. [www.medvet-cves.com](http://www.medvet-cves.com) Their phone number is 614-846-5800. This emergency hospital is open 24 hours a day, seven days a week. No appointment is required. We work with the doctors at this emergency hospital and they will keep us informed of the treatment of your pet.

### APPOINTMENTS

Patients are seen by appointment only unless in an emergency situation. We try our best to stick to these appointment times however, emergencies do arise and some delays are unavoidable. We will do our best to keep you informed of any delays and appreciate your patience in these situations.

### PAYMENT METHODS

Payment is expected at the time of service. If you carry pet insurance, you are required to pay at the time of the service and the insurance company will reimburse you where applicable. For your convenience, we offer the following payment options:

- Cash
- Visa/Mastercard/Discover
- Check (with social security number and valid driver's license provided)
- Care Credit payment plan upon credit approval; you can apply online at [www.carecredit.com](http://www.carecredit.com)

### REFERRALS

Our doctors and staff all believe that we are advocates for your animal's health and we will do our best to ensure that your pet is treated with the best care. With this in mind, if there is a time when your animal needs specialty care, we refer to Medvet. Medvet is made up of board certified specialists who can provide your animal with intensive care for serious conditions. The doctors at Medvet work hand-in-hand with our doctors to ensure your animal's well being.
